EXECUTIVE SUMMARY

Computer Science Honors Graduate (GPA 3.4) specializing in Business Intelligence, Power BI, DAX, Tableau, SQL Server, Excel Power Query, and Python EDA. Certified by Google, Microsoft, and IBM.

TECHNICAL STACK & CORE SKILLS

- Business Intelligence: Power BI, DAX (Data Analysis Expressions), Tableau, Excel Power Tools
- Querying & ETL: SQL (SQL Server / MySQL), Power Query, Dimensional Data Modeling (Star Schema)
- Python & Science: Python, Pandas, NumPy, Matplotlib, Seaborn, Plotly, Scikit-learn (ML Fundamentals)
- Domain Expertise: Exploratory Data Analysis (EDA), KPI Reporting, Stakeholder Communication

VERIFIED BI PROJECTS & CASE STUDIES

1. Super Market Retail Analytics Dashboard (Power BI, DAX, Power Query)

- Modeled retail sales, cost, gross margin, product returns, and store efficiency.
- Created multi-level executive drill-through pages for store, customer, and product performance.

2. Electrical Shop Business Analysis Dashboard (Power BI, DAX, Cash Flow)

- Modeled sales, inventory value, stock transfers, shortages, revenue, cash inflow, and bank records.

3. Baladna Production & Distribution Dashboard (Power BI, Operations)

- Reported 839M total sales qty, 690M production qty, 43M distribution qty, and target progress.

4. Services Revenue Analytics Dashboard (Power BI, DAX)

- Engineered KPIs for total revenue, service volume, hours, active clients, and branch splits.

5. Salla Call Center Performance Dashboard (Power BI, DAX, SLA Monitoring)

- Processed 1.74M offered calls across 16 agents; reported 91.06% SLA and 1.32% abandonment.

6. MDb Movies Financial & Audience Dashboard (Power BI, DAX)

- Analyzed 528.25bn revenue, 170.52bn budget, 357.73bn profit (209.79% ROI), and genre splits.

7. HR Attrition & Workforce Planning Dashboard (Tableau, HR Analytics)

- Analyzed 1,480 employees and 238 departures; reported 16.08% overall attrition and 35.77% in 18-25 group.

8. Misuo Sales & Delivery Dashboard (Excel Power Query, Pivot Tables)

- Analyzed 1,100,228 sales across 109 orders; calculated 10,478 avg price and 69.72% on-time delivery.

EDUCATION & CERTIFICATIONS

Bachelor of Computer Science - Honors | GPA: 3.4 / 4.0 (2019 - 2023)

Faculty of Computer and Artificial Intelligence

- Google Data Analytics Professional Certificate | - Google Advanced Data Analytics
- IBM Data Analyst Professional Certificate | - Microsoft Power BI Data Analyst
- Data Analysis with Excel Power Tools (DataCamp) | - Professional Data Analyst Diploma
